

How to Install (Scan to Hard Disk)

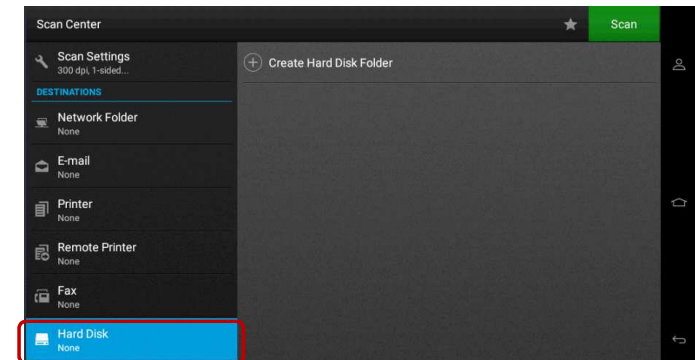

1. Download the Apps and store your PC.
2. Open a web browser, type machine IP address in the address field.
3. Click “Apps”, and “Install an app”.

6. Click “Browse” and select “hardDiskController_xxxxx.flx” then Install. Then, select and install “ssa_hd_xxxxx.flx”. The installation order is not specified.

- 5-1. When two files installation succeeds, “Scan to Hard Disk” in the Scan Center automatically appears as one of the destination.

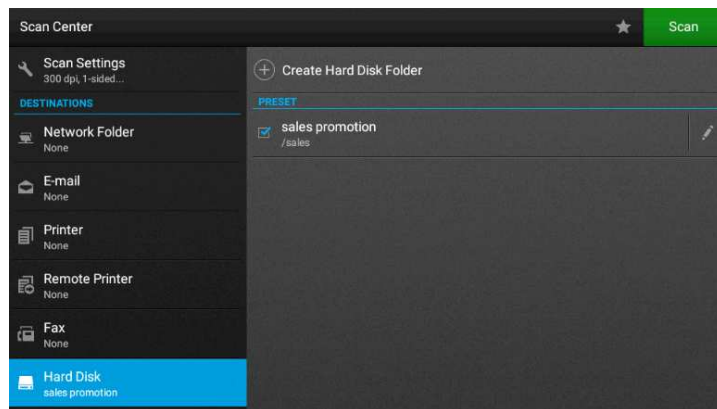

Scan Center

- 5-2. “Print from Hard Disk” icon also appears on the Advanced Mode and “Hard Disk Web Retrieval” appears on the machine web page. Both icons automatically appear.

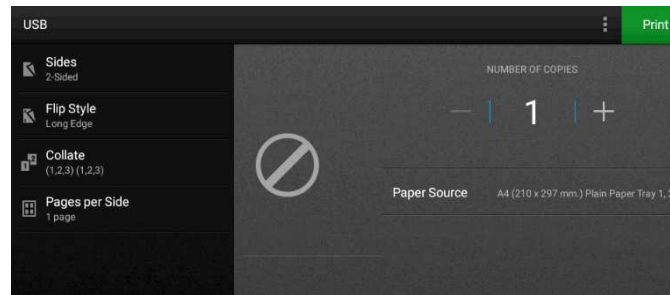

Scan to Hard Disk Overview
